Glad Clancy helped. Is David gray there?

So I'm cleAr the region 10 Pio is not there yet?

Thanks Steve. That's what I figured.

I'm glad you're the deputy. Martin had only glowing comments about you. I was not surprised of course.

I'm afraid that region 8 will be preoccupied with the "investigations". Not sure it's good timing.

Remind me. When does the region 10 Pio arrive to replace Clancy?

What else do you need?

EM - I believe he will be eventually spending time in Durango. In case you missed it Area Command has transitioned mgmt. Region 6 (OSC Chris Ruhl) is now Area Commander and Region 9 (me) as Dep AC. This was Martin H's idea.

Safe travels. Are you going to spend time in both Farmington and Durango?

We have had an epa person (Laura Ebbert) in window rock (the nation's command center) since Thursday and I believe

Clancy will be there tonight either tonight or first thing tomorrow to take over the liaison functions.

Ronnie and Chris: I'll join you tomorrow to provide support as we discussed. I made this reservation with my own fingers so the specific times and places may be changed (I'll let you know). I'd really like to talk with Dr. Charters tomorrow about how we convey risk. Would be great if I had orientation of the Joint Incident Command center in Durango and the Area Command Center in Farmington. Is there another center being staffed in Window Rock that is oriented to Navajo interests?
